## 2022 Tech Grant Application

Grants are available to assist congregations in purchasing tech equipment, including software and hardware, in support of establishing or expanding their online ministries. Grants will be made at 75% of the total cost, up to \$2000. Complete this application and attach receipts. You may scan and email the application, with receipts, to Liz Kanerva, APL, at [ekanerva@glpby.org](mailto:ekanerva@glpby.org) or mail the application with receipts to the Presbytery of Giddings-Lovejoy, ATTN: Liz Kanerva.

Churches receiving grants are asked to share a sentence or paragraph of testimony about how the technology is serving their mission and worship that GLPBY can share in its newsletter.

**NOTE: If using this as a fillable form, you must download it first, prior to completion and submission. See the yellow button above for download. Once complete, the submission button can be found, in red, at the bottom of the page.**
