LeaderWise will provide the training in 2024. LeaderWise's online boundaries training workshop is lively and interactive, full of reflection and conversation. Attendees have given us feedback that our boundaries training was a great experience, AND caused them to re-evaluate some of their own practices.

This live online boundaries training is 6 total hours split over 2 consecutive days (3 hours each day). Following the first session, participants are asked to engage in a bit of reflection work in preparation for the second session. This online boundaries training will be conducted via secure Zoom video conferencing.
