

## Biographical Faith Statement for Sandra C. Monroe

I was baptized and confirmed by the PCUSA in 1981. Once I married and had children my husband and I began our joint connection with the PCUSA.

When my husband died in 2006, my relationship with the Holy Trinity and my congregational family was foundational. Eventually, I felt God calling me to a seminary education and began studies at Louisville Presbyterian Theological Seminary. While there I learned about the many facets of chaplaincy and began to understand my call to seminary.

I completed my chaplaincy training and commenced my ministry at St. Louis University Hospital where I have grown in confidence and abilities, I am now feeling another call - to be ordained as a minister of Word and Sacrament in the PCUSA, in order to continue following God's calling.
