

What does the Lord require of us...

JOIN US FEBRUARY 27, 2024 FOR Spirit of Stewardship

This all-day event will help us think through how God is inviting us to steward the gifts we have been given as individuals and as organizations. It is an opportunity to reflect how we can invite others to be generous with their blessings.

Presbytery of Northern Kansas, the Presbytery of Giddings- Lovejoy, Heartland Presbytery, and Missouri Union Presbytery are collaborating on this event and will each be hosting local sites.

Joel Mikell will be with us for this event and will help us to think creatively about whom God invites us to be and how God has shaped us to share the gifts we have been given. Read more about him [here](#)
