

When Did We See You? Event Support Grant

About the Grant

The purpose of these grants is to support youth events that are planned around the Matthew 25 theme of “When Did We See You?” These grants may also be used for intergenerational events, as long as there are a good % of youth attendees. Using the Matthew 25 theme of “When Did We See You?” is a grant requirement and preference will be given to applicants who will use the new PYT Connect resources as part of their event programming. This Matthew 25 theme is important, and we are excited to offer support both through curriculum that can be used in a variety of settings & different ways, as well as via grant support that can help in planning good quality events.

Supported through the Pentecost Offering, this fund supports youth ministries of the Presbyterian Church (U.S.A.). Youth Ministries unites young people in Christ with all other generations and proclaims the love of God without end. Eligible applicants are representatives of a Presbyterian Church (U.S.A.) Presbytery, worshiping community, caucus or a Presbyterian-related camp or conference center. The use of the funding is restricted to projects that support youth and young adults.

For 2022 grants, all applications are due by November 11, 2022. After review by staff to determine if the proposal is complete and the organization is eligible for consideration, the proposals are considered by a selection committee.

After the selection committee makes its decisions, Financial Aid for Service will contact the grantee. If the proposal was selected, we will prepare a Grant Agreement based on the particulars of the grant proposal and send the agreement to the parties involved in the project for signature. **Grants are disbursed to the sponsoring incorporated entity – typically a Presbytery, worshiping community, caucus or camp and conference center.**

When Did We See You? Event Grants are \$1000 each. Funding is limited; grants are not renewable.
