

JUNE 3, 2023

YOUTH

MISSION TRIP

Use and develop your skills while serving God! A local (Warren County, MO) mission trip is happening at Bethel Hills in Dutzow, MO on June 3, from 9 am to 5 pm (lunch provided).

Bethel Hills was established to address a gap in the choices afforded to people with intellectual and developmental disabilities – to allow the option for people to live in community with their friends, families, and others who value them. An inclusive community where people of all abilities thrive together, are connected, and have abundant opportunities. They are developing Phase 1 of 3 phases that will eventually house 70-80 residents. Currently they house approximately 15 residents and staff. We will be working on housing, gardening, and facility projects on their 127 acres of beautiful land.

Youth can participate in an overnight experience as well. A half-day on Friday (arriving at 1:00 pm) is additionally available. Overnight stay will be supervised by vetted Presbyterian Church members. Sleeping bags are required. Youth will be housed indoors in a hostel (girls) or a gym (boys). Games and activities including a campfire worship will be available Friday evening.

Bethel Hills is located at: 10450 Voelkerding Rd, Dutzow, MO
