

An Urgent Calling from JCPC's Mission Leader, Amy Brixey

The photo below is of a desperate family of 5, living in a suburb of Kyiv, in immediate need of rescue. Victoria and Oleg, along with their 7 year-old daughter Marianna and their twin 5 year-olds Alissa and Gleb, have been preparing to seek refuge in St. Louis since April. Currently they are experiencing heavy missiles and drone attacks in their neighborhood and haven't even been able to hide in their basement any longer due to flooding from heavy rains.

HOW CAN YOU HELP?

JOIN OUR SPONSORSHIP TEAM

We are looking for a group of individuals to comprise a Sponsorship Team responsible for the process of bringing this precious Ukrainian family to the St. Louis region for safety.

The Sponsorship Team will include:

Several **“Support Sponsors”** who will work together to obtain the support and means for this family during their journey and settling here.

One individual **“Head Sponsor”** who will be the official sponsor listed for the family and will be responsible for completing the sponsor filing. Though only ONE individual can officially be named, the family will ideally be hosted and supported by the entire Sponsor Team so that no one person is overwhelmed.

We can direct you to available resources for assistance. Please consider this opportunity.

If interested in helping this family, please contact Amy -
